

COPY OF OLD LAND GRANTS

Miss Lettie Warburton has in her possession a number of copies of old land grants, made to her ancestors who were Revolutionary soldiers. It appears that bounties in the shape of large tracts of land were given to soldiers who served their country in her time of stress. Below is given a copy of warrant which was drawn in favor of the heirs of Ralph Graves the great, great grandfather of Miss Warburton. Ralph Graves and his son were vestrymen of Bru'on Parish before 1769. This bounty was given the Graves family "for services as cornet on State establishment."

"Warrant No. 6804 for 2,666 2-3 acres, issued 5 January, 1831, to John Munford Gregory, Letitia Powell Gregory and William Terrell Gregory, sole heirs, and delivered to John Munford Gregory."

I take pleasure in announcing the engagement of A. K. Hawkes Co's expert Optician at my store on Oct. 17th and 18th. I guarantee his work, and invite all who need glasses or intelligent, conscientious advice about their eyes to call on above dates.—J. H. Stone, druggist.

BINNS HALL SCHOOL NOTES

Binns Hall school opened on September 30, with a small attendance, the graded school at Holdcroft taking many of the pupils who live nearer there but had to come here on account of its crowded condition when No. 1 was a grammar school. We hope for a successful session.

Dr. Harwood, having given up his practice and moved to Richmond, is offering his three horses for sale.

Mr. John Hughes, formerly of Sturgeon Point, is living at the home of Mrs. J. A. Christian. His children are pupils of this school.

Mr. C. L. Babcock was in Richmond last week.

Miss Sallie Vaden and her brother have been sick for the past week.

If you have young children you have perhaps noticed that disorders of the stomach are their most common ailment. To correct this you will find Chamberlain's Stomach and Liver Tablets excellent. They are easy and pleasant to take, and mild and gentle in effect. For sale by all dealers.

COUNTY BOARD INCREASES REWARD

The James City county board of supervisors met here Monday for the regular monthly term, with all members present. Others attending were Commonwealth's Attorney Henley, Sheriff Ware, George Waltrip, W. S. Hitchens.

The board transacted a mass of routine business. Being anxious to aid in the capture of William Beverly, the murderer of Mr. W. A. S. Adams the board supplemented the York reward of \$50 by offering a similar sum, conditioned upon the governor offering a reward of \$100.

Since making the appropriation, Gov. Mann has offered the reward of \$100, making the total sum offered \$200. It is believed that this reward will make the detectives more active. It was reported yesterday that there was a possibility of Beverly's being at his old home in Botetourt.

DOUBLY PROVEN

The Gazette Readers Can No Longer Doubt the Evidence.

This grateful citizen testified long ago.

Told of quick relief—of unfounded benefit.

The facts are now confirmed. Such testimony is complete—the evidence conclusive.

It forms convincing proof of merit.

Mrs. E. V. Hopkins, 433 Holt street, Hampton, Va., says: "It has been about two years since I used Doan's Kidney Pills. For some time my kidneys had given me a great deal of trouble. My back was weak and lame, and I suffered from headaches and dizzy spells. The secretions from my kidneys were unnatural and caused considerable annoyance. Doan's Kidney Pills were brought to my attention and were so highly recommended that I decided to give them a trial. They cured me and I have not had a recurrence of kidney complaint." (Statement given December 30, 1910.)

WILLING CORROBORATION.

When Mrs. Hopkins was interviewed on April 11, 1912 she said: "I am just as willing to give Doan's Kidney Pills my endorsement today, as I was in 1910. I have had no occasion whatever to resort to the use of this remedy for several months. My freedom from kidney complaint is due to the use of Doan's Kidney Pills."

For sale by all dealers. Price 50 cts.

Remember the name—Doan's—and also no other.

CONTRIBUTIONS TO CAMPAIGN FUND

The Gazette's campaign fund now amounts to \$17. Not a dollar has been contributed this week. What is the matter with Williamsburg and James City Democrats anyway? Surely, there is not a man who claims to be a Democrat who will not give something to this fund. The committee needs the money right now. Let it come forward by next mail.

We want to remit Saturday. Send The Gazette your contribution by next mail so it can be forwarded. A receipt will be sent you by the National Treasurer and in next week's paper we will make acknowledgment of the amount you send. Do it now and have a part in the election of Wilson and Marshall. Some day you will be proud of the fact that you contributed in this memorable campaign.

J. W. Copeland, of Dayton, Ohio, purchased a bottle of Chamberlain's Cough Remedy for his boy who had a cold, and before the bottle was all used the boy's cold was gone. Is that not better than to pay a five dollar doctor's bill? For sale by all dealers.

WILLIAM AND MARY NOTES

The first issue of the Flan Hat for this session made its appearance Tuesday. It is a readable little sheet, well edited, and bids fair to take high rank again this year among college publications. Every copy was taken and the circulation is growing by leaps and bounds.

The first football game will be played as Cary Field Saturday afternoon between William and Mary and the University College of Medicine. This promises to be an exciting game and will be witnessed by a large crowd. Game will be called at 3. Admission 25 cents.

The faculty gave permission for all students to attend the state fair to day and many have gone to Richmond to see the sights.

Call on Miss Garnette Sweeney for season tickets to the series of five Radcliffe attractions to be given at Cameron Hall during the coming winter. A season ticket entitles the holder to a reserved seat.

NEWS AROUND THE COURTHOUSE

Clerk Geddy has been busier recording deeds the past month than heretofore for some time. Since timber has become active, there have been a number of sales. Following are some of the transfers recently made:

E. W. Warburton and W. A. Bozarth to Katherine Seymour, of Washington, D. C., the 330-acre tract, known as "Strawberry Plains," near town on the Jamestown boulevard; consideration \$3300.

D. W. Marston to Thos. P. Hammer, of Philadelphia, 172 acres in Stonehouse district, known as a part of "Temple Hall," consideration \$6,000.

J. S. New has sold the standing pine on his tract to R. H. Jones; consideration \$1,000.

Attorney H. Stewart Lewis, of Suffolk, was at the courthouse Saturday on legal business.

It is reported that the grand jury next Monday will probably be asked to bring in an indictment against a well known county official, but so far as the public is informed, no definite charge has yet been made. The charges will probably produce a sensation, if made. There are few cases of importance on docket for Circuit Court which will convene Monday morning.

Don't forget the engagement of A. K. Hawkes Co's expert Optician at J. H. Stone's Oct. 17th-18th. Glasses correctly fitted in up-to-date styles at reasonable prices. All work guaranteed.

Swanson, senator from Virginia. The programme will be interspersed with music by the fourth band Coast Artillery.

5 or 6 doses 666 will break any case of Chills & Fever; and if taken then as a tonic the Fever will not return. Price 25c.

FROM TUESDAY'S FLAT HAT

The second of the season's contests was played on Lafayette Field, Norfolk, Saturday, showing great improvement in the Orange and Black line-up. The exhibition of football handed out Saturday came as a distinct surprise to the gunners after the heavy score suffered at the hands of the University. Though both games were stubbornly contested, the fight against the Blues' veteran team revealed new strength for the 'varsity. The weakness of the line noticeable at Virginia has been overcome and a clear gain in offensive play is apparent. Both games were snappy throughout. The locals were greatly outweighed by the opposing teams, Virginia's line weighing 135, the heaviest seen in years. Good gains were made on each team, and their lines held at times.

VIRGINIA GAME

Old style football was played, Virginia punting only once. Line plunges by Cooke and runs by Moxson and Thoms figured for Virginia. Only twice was the forward pass tried, working once. For William and Mary the offensive playing of Crockett was the feature. The quarters ended 20-0, 33-0, 53-0, 60-0. Line-up.

BLUES' GAME

Two touchdowns were scored by the soldiers from which one goal was kicked, score 13-0. The first quarter ended scoreless. Towards the end of the second quarter, with the hold on the Blues' 15-yard line, Geyer blocked a trial for goal, and Wemple sprinted 65 yards for a touchdown. In the last three minutes of play Jordan, Vaughn and Wemple, by repeated plunges and end runs, carried the second score across. Barry failed at goal.

Features of the game were the playing of Geyer, Wemple, and Pierce for the Blues and E. Wright for William and Mary. Line-up:
